Response to Public Comment. The Board can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The *Open Meeting Law* does not expressly prohibit responses to public comments by the Board. However, responses from the Board members to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Board will consider, Board members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Staff action or to ask that a matter be listed on a future agenda. The Board may do this either during the public comment item or during the following item: "Agenda Items for the next Board Meeting."
